

# WHERE'S THE FUNDING?

**MCMASTER LAUNCH**  
MONDAY, FEBRUARY 9

**Where's the Transparency?** Every year, Ontario's Universities receive hundreds of millions of dollars in public funds, but aren't required to disclose how or where those dollars are spent. **Where's the Priorities?** While class sizes continue to grow, campus facilities go unmaintained and equipment grows ever more dated, hundreds of University administrators earn huge salaries and outrageous perks. **What to do?** It's time to hold University administrations in Ontario to account! It's time to ask: **WHERE'S THE FUNDING?**

**STUDENTS, FACULTY MEMBERS, AND CAMPUS WORKERS ARE INVITED TO THE MCMASTER LAUNCH OF CUPE ONTARIO'S "Where's the Funding?" CAMPAIGN!**
