ARTICLE 3 – DEFINITIONS

3.01 In this Agreement, the following terms shall be defined as set out in this Article, unless a contrary meaning is expressly provided for elsewhere in this Agreement:

“academic term” or **“Term”** is defined as the period of time normally required to teach a 3-unit course, as follows:

Fall Term:	September 1st to December 31st;
Winter Term:	January 1st to April 30th;
Spring/Summer Term:	Includes a Spring Term and a Summer Term between May 1st to August 31st.

“academic year” means the period from September 1st to August 31st inclusive, and is divided into 3 academic terms.

“Applicant”- An individual who applies to a posted vacancy.

“Appointment”- Is an employment contract to deliver a course, a portion of a course, or 1 or more Sections of a course.

“bargaining unit” means the bargaining unit described in Article 2.

“bargaining unit member” or **“employee”** means a person employed by the Employer who holds an Appointment in the bargaining unit described in Article 2.

“business day” means any day that is not a weekend, public holiday or any day on which the University is closed.

“Chair” means the Chair of a Department and includes the equivalent title for the head of an academic unit within the University that does not have a “Chair” but rather a “Director” or “Area Chair” or the like.

“day” means a calendar day unless otherwise specified.

“Department” means the division, academic unit or work area, as indicated by the context of an employee’s Appointment.

“designate” means an individual who is authorized by a person specifically identified in this Agreement to act on their behalf.

“Employer” means McMaster University.

“E/LR Representative” means a member of the Employee/Labour Relations Unit in the Employer’s Department of Human Resources Services who has been appointed by the Assistant Vice-President and Chief Human Resources Officer to represent the Employer in any communications and/or meetings convened pursuant to this Agreement.

“Faculty” includes each of the DeGroote School of Business, the Faculty of Engineering, the Faculty of Humanities, the Faculty of Science, and the Faculty of Social Sciences, as appropriate to the context in which it is referenced.

“Section” means components of the same course, including lectures, labs and tutorials. A Section is normally 3 units or 6 units. When there is only 1 offering of a course, it is the only Section of that course. When there are multiple offerings of a course, each offering is a separate Section. For clarity purposes, each Section would have a different group of students.

“Sessional Faculty” means an employee or bargaining unit member, including faculty teaching in the MELD program, who is not an Hourly-Rated Sessional Music Faculty.

“Hourly-Rated Sessional Music Faculty” means an employee or bargaining unit member holding a musical instruction Appointment.

 - (ii) of some permanence, if they are the natural or adoptive parents of a child, as parents is defined in Section 1 of the Family Law Act, R.S.O. 1990, c. F.3.

For clarity, the parties understand that the above definition is superceded by any definition of “spouse” that may be used by the Union’s benefits provider for purposes of administering the Union-contracted benefits under this Agreement.

“steward” means an employee who has been elected or appointed from within the bargaining unit, as per the Local’s by-laws to represent bargaining unit members in matters pertaining to the application or administration of this Agreement.

“Supervisor” means the Chair of the Department in which a bargaining unit member is employed.

“the parties” means McMaster University and, the Local or the Union, as indicated by the context.

“this Agreement” means the Collective Agreement between McMaster University and Canadian Union of Public Employees, Local 3906 in respect of the bargaining unit for Sessional Faculty and Hourly-Rated Sessional Music Faculty, which unit may hereinafter be referred to as “Unit 2”.

“Union” means the Local in its capacity as the representative of Unit 2.

“Union Representative” means a person who is employed by the Local or who has been duly authorized to represent the Union through election or appointment in accordance with the Local’s by-laws.

- 3.02 In recognition that Canadian universities commonly refer to contract faculty by a variety of titles, for the purposes of professional recognition, employees in the bargaining unit shall be called Sessional Faculty and Hourly-Rated Sessional Music Faculty.

ARTICLE 4 – MANAGEMENT RIGHTS

- 4.01(a) The Union recognizes that the management of McMaster University is fixed exclusively in the Employer subject to the provisions of this Agreement, and without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Employer to:

- i. maintain order, discipline and efficiency;
 - ii. hire, appoint, re-appoint, not appoint, assign, transfer, lay-off, recall, direct, discharge, and suspend or otherwise discipline employees, provided that a claim of discharge or discipline without just cause may be the subject of a grievance, to be dealt with as hereinafter provided;
 - iii. plan, direct and control operations; determine job classifications, requirements, and hours of student contact; determine work assignments, methods, schedules, procedures and standards;
 - iv. determine the size, composition and deployment of the workforce;
 - v. put into effect, enforce and alter reasonable policies, rules and regulations governing the conduct of the Employer and the employees.
- 4.02 The Employer agrees that it will not exercise its rights as set out in this Article in a manner inconsistent with this Agreement or the principles of academic freedom and confirms its commitment to administer this Agreement reasonably and equitably such that its decisions must not be arbitrary, discriminatory or made in bad faith. The Union agrees that the fact of the Employer exercising its rights under the Article shall not constitute harassment.

ARTICLE 5 – UNION REPRESENTATION

- 5.01 The Employer recognizes the right of the Union to appoint up to 2 stewards to represent each Department, providing that such stewards are employed in the Department, or were employed in the Department under the most recent Agreement. Where the Union consolidates departmental representation, the steward(s) must be employed in 1 of the consolidated Departments the employee represents. Where no stewards are appointed for a particular Department, or the steward(s) are unavailable, the Chairperson of the Stewards' Council and/or a member of the Union Executive may exercise the rights of a steward.
- 5.02(a) The Union and the Employer agree to limit the membership on their respective bargaining teams to a total of 10 each.
- (b) The Parties shall advise each other of their bargaining committee members. Where a member of the Union bargaining committee encounters an unavoidable conflict between any scheduled contract hours arising from appointment as an employee and attendance at a scheduled negotiation meeting with the Employer, the member of the Union bargaining committee shall be entitled to attend the negotiation meeting without loss of pay or needing to make up the missed work, up to and including the first day of conciliation. The affected member shall provide their Employment Supervisor with as much advance notice as possible.
 - (c) For any subsequently scheduled days with the Employer the Employment Supervisor will endeavor, subject to operational requirements, to provide alternative work arrangements to allow the Union bargaining team members to participate in negotiations without loss of pay.
- 5.03(a) The Parties recognize that all employees in the bargaining unit, including Stewards, bargaining team members and Local Executive Members, have regular duties to perform as employees of the Employer. Therefore, Stewards and other representatives appointed pursuant to this Agreement will not leave their duties without consent from their Supervisor and such consent will not be unreasonably withheld.
- (b) When in the course of administering this Agreement an employee, acting in an official capacity for the Union, is meeting with representatives of the Employer, the parties will use their best efforts to arrange for mutually convenient meeting times that do not conflict with the employee's teaching duties. In the event that a mutually agreed meeting time does conflict with such duties, it is the joint responsibility of the employee and their Supervisor to arrange for the missed class(es) to be made

up. In the solution reached by the employee and the Supervisor, the Employer agrees that the employee will not suffer any loss of wages.

5.04 **Joint Labour Management Committee**

- (a) **Terms of Reference:** The parties acknowledge the mutual benefits to be derived from joint consultations and agree, therefore, that there shall be a Joint Labour-Management Committee (JLMC) comprising representatives of the Employer and representatives of the Local's bargaining units with the purpose of fostering effective communications and labour relations between the parties during the term of this Agreement. Additionally, consultation and discussion in this forum is intended to further the "Scope and Purpose" of the parties' 3 Collective Agreements. Accordingly, the parties have adopted the following Terms of Reference:
- (b) **Membership and Participation:** Each party will determine its representatives at any meeting of the JLMC to a maximum of 7. Of the Local's 7 representatives, at least 1 must be appointed from the bargaining unit. Normally, for the Local this representation will include the Local President and the Staff Representative(s), and, for the Employer, the Vice Provost and Dean of Graduate Studies, the Vice Provost (Faculty) and an E/LR Representative. The parties understand and agree that on occasion it may be necessary, due to absence or time constraints, for 1 of the individuals named herein to appoint a designate to attend the JLMC meeting in their place.
- (c) **Meetings:** The JLMC will meet in September, November, January, March, May and July of each year or by mutual agreement. The dates for these meetings will be determined by the parties at the preceding meeting or by mutual agreement thereafter. Meetings will normally be for 2 hours.
- (d) **Committee Chair:** The Union will appoint a Chair to the JLMC.
- (e) **Agendas:** The parties will exchange agenda items 1 week prior to each meeting and the Chair will issue an agenda 1 week prior to each meeting. Background materials which may accompany an agenda item will be made available 1 week prior to the meeting to which they pertain. With time permitting, and the consent of those in attendance, additional items may be added to an agenda. Items shall be presented by the parties in alternating sequence, beginning with the Local.
- (f) **Guests:** With the approval of the other party, the Union or the Employer may invite (a) guest(s) to a JLMC meeting for the purpose of providing the JLMC with information or expertise.
- (g) **Minutes:** Both parties will take minutes of each meeting.
- (h) **Administrative Support:** The Employer will be responsible for canvassing dates and locations for the meeting and will provide this information to the Chair.
- (i) **Appropriate Topics:** Agenda items may include any topic of interest or concern to either party, provided that it does not deal with the specifics of a current grievance. Unless agreed otherwise by the parties, meetings shall address issues pertaining solely to bargaining units not engaged in a period of collective bargaining. Agenda items can include bargaining unit-specific matters. The Employer recognizes the work of members of the bargaining unit which supports the academic mission of the University. As such, agenda items can also include items that may arise as a result of their instructional activities.
- (j) **Authority:** Depending on the nature of the issue, representatives of the parties may be comfortable in reaching decisions at a JLMC meeting. However, representatives cannot make decisions that are formally binding on either party. Rather, representatives may agree to recommend acceptance of a course of action to their respective principals, with formal agreement on the issue being confirmed separately between the parties.
- (k) **Wages:** Attendance at such meetings by representatives who are employees in the bargaining unit will be covered by the provisions of Article 5.03 of this Agreement and such employees will not be entitled to additional compensation for attendance at JLMC meetings.

- (l) **Other:** The parties may determine by consensus additional Terms of Reference that provide for the effective administration and operation of the JLMC. Such additional terms will be included in the minutes.
- 5.05 Each party agrees to meet to discuss any matters related to this Agreement only with those persons properly authorized to represent the other party. To this end, the Union and the Local, as applicable, will supply the Employer with the names of its Executive Committee, stewards, staff representative(s), and administrative staff, and shall keep the Employer informed of any changes to that list in a timely fashion. Likewise, the Employer will supply the Union with a list of those persons properly designated to discuss matters concerning the Union or this Agreement and will inform the Union of any changes to that list in a timely fashion.
- 5.06 Subject to the terms of Article 10, all correspondence between the parties arising out of this Agreement or its negotiation or any matter incidental thereto, shall pass directly to and from the Assistant Vice-President and Chief Human Resources Officer, or designate, and the Local Executive.
- 5.07 The Employer will forward to the Union copies of correspondence and notices that are directed to groups of bargaining unit employees and that pertain to this Agreement.
- 5.08(a) In the event of organizational change(s) involving the elimination, amalgamation or creation of a Department or Departments or Faculty or Faculties, the Employer will meet with the Union to discuss the general nature of the impending change(s) and the effect of the change(s) on the employees in the Department(s) affected. This meeting may be facilitated through the JLMC.
- (b) Where an individual Department reorganizes programs or courses so that fewer Appointments are required, every effort will be made to implement the change at the end of the Term. The Union may raise the matter for discussion at a JLMC meeting.

Expert Advisors

- 5.09 The Employer recognizes that the Union has the right at any time, with appropriate advance notice, to call upon the assistance and presence of a duly authorized representative from a law firm or other qualified representative of the Union's choice. Such duly authorized representatives will have access to the Employer's premises to consult with Union Representatives/Stewards and/or Employees.

ARTICLE 6 – NO DISCRIMINATION, HARASSMENT, OR SEXUAL HARASSMENT

Respectful Workplace

- 6.01(a) The parties agree that all employees shall be entitled to a respectful workplace free of discrimination, sexual harassment, and workplace harassment. As of the date of the ratification of this Collective Agreement, the University has policies on these topics, including: Discrimination and Harassment Policy; Violence in the Workplace Policy; and Sexual Violence Policy ("the Policies").

The parties acknowledge that nothing in these Policies is meant to supersede the terms and conditions of the Collective Agreement. In the event that the provisions of these Policies contradict the Collective Agreement, the Collective Agreement governs, to the extent of the contradiction.

They may use one or more options including, but not limited to, the following:

Adjusted employment duties and other accommodation(s) that have been put in place pursuant to this Article will expire upon the resolution of the matter or at the conclusion of the employee's employment, whichever occurs first. The employee will not lose any wages, rights or benefits as a result of this arrangement.
- 6.06 The parties agree that employees are protected under any current and future whistle-blower policies of McMaster University and that no employee will suffer any reprisals for good faith complaints on matters covered under such policies.

The parties also agree that no employee will be disciplined for the fact of exercising reasonable intellectual discretion pursuant to and within the parameters of Article 4.

The University encourages applications from all qualified candidates including women, persons with disabilities, First Nations, Métis and Inuit peoples, visible minorities, members of racialized communities and LGBTQ+ persons.
 - b. The Employer and the Union are committed to addressing employment equity issues and recognize the need to discuss issues of mutual concern, in an attempt to find a resolution.

ARTICLE 9 – NO STRIKE OR LOCKOUT

- 9.01 There shall be no strike or lockout during the term of this Agreement. The words "strike" and "lockout" shall be as defined in the Ontario *Labour Relations Act, 1995*, (S.O. 1995, c.1, Sch. A, as amended).
- 9.02 In the event that any person represented by a trade union and employed by the Employer, other than those represented by the Union, engage in a lawful strike or is lawfully locked out, members of CUPE Local 3906, Unit 2 will not be required to perform work normally performed by those persons. The Employer shall ensure that all Supervisors are informed that members of the bargaining unit should not be requested to do such work.

ARTICLE 10 – GRIEVANCE PROCEDURE

- 10.01(a) It is the Employer's responsibility to maintain an environment in which employees remain free from harassment, intimidation, and any threats, explicit or implied which are designed or might reasonably be understood to dissuade an employee from exercising their rights under Article 10 Grievance Procedure or any other right provided for in this Collective Agreement.
- (b) The parties recognize the importance of confidentiality and agree that all grievances will be discussed, disseminated or otherwise shared by each of them on a need to know basis as determined by each of them in their discretion.
- (c) To ensure that complaints of employees are remedied as quickly as possible, the parties agree that the procedure for submitting and dealing with grievances, which shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of this Collective Agreement, shall be as follows:
 - (i) Step 1: The Union on behalf of the employee (the "Grievor") may submit a written grievance signed by the Grievor and their steward, or Union Representative to the Chair (or the Chair's equivalent or designate) of the Department in which the Grievor works, within 15 business days after receiving the reply of the Supervisor. The nature of the

grievance and the remedy sought shall be clearly set out in the grievance. The Department Chair or equivalent or designate will deliver their decision in writing within 15 business days following the day on which the grievance was submitted to them. Failing settlement at this Step, then:

- (ii) Step 2: Within 15 business days following a decision under Step 1, the Union may present the written grievance to the Dean of the Faculty (or designate) in which the Grievor(s) is employed, or Vice Provost (Faculty) (or designate) if the Grievor(s) Department is not administered by a particular Faculty. The Dean or Vice Provost (Faculty) (or designate) will hold a meeting within 15 business days with the Grievor(s), the Steward or Union Representative who signed the grievance and an E/LR Representative to discuss the grievance. The Dean or Vice-Provost (Faculty) (and/or designate representative) shall give their decision in writing within 15 business days from the date of the meeting. Failing settlement at this Step, then:
 - (iii) Step 3: Within 15 business days following a decision under Step 2, the Union may present the written grievance to the Provost & Vice-President (Academic). The Provost & Vice-President (Academic) or designate, will convene meeting with the Grievor(s), the Steward or Union Representative who signed the grievance, and 2 other representatives designated by the President of the Local and, an E/LR Representative, to discuss the grievance. The Step 3 reply is required in writing within 15 business days from the date of the meeting. Failing a satisfactory settlement at this Step, the grievance may be referred to arbitration within 15 business days after the date on which the reply to Step 3 was given.
- (d) Where the Supervisor is a Department Chair or Faculty Dean, the Union may advance to either Step 2 or Step 3 of the Grievance Procedure, as the case may be.

Policy Grievance

- 10.02 A grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of this Agreement shall be originated at Step 2. However, it is expressly understood that the provisions of this paragraph may not be used by the Union to institute any individual grievance directly affecting an employee thereby passing Step 1. Any grievance by the Employer or the Union as provided for in this paragraph shall be commenced within 20 business days after the circumstances giving rise to the grievance have occurred or within 20 business days of the time the grieving party reasonably ought to have known of the circumstances. The grievance must be signed by the Vice-President, Academic or the Union President respectively, or their designates. Where the grievance affects more than 1 Faculty, it shall be originated at Step 3.

Group Grievance

- 10.03 A grievance resulting from a complaint of several individuals, or several individual grievances regarding the same circumstances may be consolidated and submitted at Step 2 of the Grievance Procedure, within 20 business days after the date on which the circumstances giving rise to the complaint(s) originated, or occurred, or ought reasonably to have been known by the grieving parties.

General

- 10.04 A claim by an employee that they have been unjustly discharged or disciplined shall be treated as a grievance if a written statement of such grievance, setting out the nature of the grievance and the remedy sought is lodged at Step 2 of the Grievance Procedure within 20 business days after the discipline or discharge takes effect.
- 10.05 The Employer and the Union shall attempt to schedule grievance meetings so as not to interfere with the Grievor's employment duties. In the event that an employee's presence is required for a grievance meeting or attendance at arbitration, the employee will make every

attempt to arrange an exchange or substitution for their duties and will advise the Supervisor of such arrangements. Upon receiving notice of any pending meeting the employee shall provide the Supervisor with reasonable notice.

- 10.06 If an employee applies for a bargaining unit position and the Union grieves the Employer's decision not to appoint the employee to that position, or, if the Union initiates a pre-grievance query, the Employer, via the appropriate E/LR Representative, will provide the Union with the name of the appointee and advise as to their seniority. Failing resolution of the grievance at the pre-grievance query, a formal grievance may be submitted at Step 2.
- 10.07 At any point after a written grievance has been filed, upon consent, the parties may freeze the time limits in the grievance process to engage in mediation or mediation/arbitration. The Mediator will be selected by agreement of the parties.
- 10.08 A grievance alleging a violation of Articles 6 or 17 of this Collective Agreement may be submitted at Step 2 within 20 business days after the date on which the circumstances giving rise to the complaint(s) originated, or occurred, or ought reasonably to have been known by the Grievor.
- 10.09 All agreements reached under the Grievance Procedure between the representatives of the parties will be final and binding upon the parties and the employees.
- 10.10 No matter may be submitted to arbitration which has not been properly carried through all the requisite steps of the Grievance Procedure. Where no answer is given within the time limits specified in the Grievance Procedure, the grieving party shall be entitled to submit the grievance to the next step of the Grievance Procedure.
- 10.11 If the Employer or the Union requests that a matter be submitted to arbitration, it shall make such request in writing addressed to the other party. In the case of a referral by the Union the referral will be sent to the E/LR Representative who has been involved in the Grievance Procedure and, in the case of a referral by the Employer, the referral will be sent to the President of the Local. Within 10 calendar days after the referral is received, the parties will attempt to agree on the selection of a sole arbitrator. If they are unable to agree on a sole arbitrator, the referring party may then request the Minister of Labour to appoint a sole arbitrator. No person may be appointed as an arbitrator who has been involved in an attempt to settle that grievance that is the subject matter of the referral.
- 10.12 The Arbitrator shall be governed by the following provisions:
- a. they shall hear and determine the grievance and shall issue a decision which shall be final and binding on the parties and employees;
 - b. they shall not have jurisdiction to: (i) amend, alter, modify or add to any provisions of this Agreement; or, (ii) issue any decision inconsistent with the terms and provisions of this Agreement provided that this prohibition does not affect the arbitrator's statutory authority to modify disciplinary penalties;
 - c. the parties hereto will share equally the fees and expenses of the Arbitrator;
 - d. if they consider it necessary to do so, the Arbitrator shall have the authority to take a view of the Employer's premises insofar as they determine that such a view may be relevant to their decision; and,
 - e. they shall, in the first instance, have the jurisdiction to determine whether the grievance is arbitrable.
- 10.13(a) The time limits fixed in both the Grievance and Arbitration Procedures may be extended only by written consent of both parties to this Collective Agreement. Similarly, any step of the Grievance Procedure may be waived by written consent of the responding party.

(b) In exceptional circumstances the Union may direct to the attention of the Assistant Vice-President, Chief Human Resources Officer, or designate, a request that a grievance that would otherwise be submitted at Step 1 or Step 2 be expedited by having the matter addressed at a single grievance meeting. Such a request will include the grievance and the reasons for the Union's request that the grievance be expedited. Should the Assistant Vice-President, Chief Human Resources Officer, or designate, agree to expedite the grievance as requested they will provide the Union of the name of the Employer representative who will hear the grievance and the timelines will be those of Step 3 of the Grievance Procedure. If such a request is denied, the Union will be notified within 5 business days, and the grievance will be heard at the appropriate Step of the formal Grievance Procedure as though it had been received on the date that the Union's original request to expedite the matter was received.

10.14 Notwithstanding all of the provisions of Article 10, the parties hereto may agree that a grievance be referred to a Board of Arbitration. At the time that a grievance is submitted to arbitration the referring party shall nominate its representative. Within 10 calendar days thereafter the other party shall nominate its representative and notify the referring party. The 2 representatives shall, within 10 calendar days after the nomination of the responding party's representative, attempt to settle by agreement the selection of the Chair of the Arbitration Board. If the representatives are unable to agree on a Chair, they may then request that the Minister of Labour appoint a Chair. Members of the Arbitration Board shall have the same powers and be subject to the same restrictions as a sole arbitrator appointed under this Collective Agreement. No person may be appointed to the Arbitration Board if that person has been involved in an attempt to settle the grievance that is to be heard by the Arbitration Board.

ARTICLE 11 – COUNSELLING, DISCIPLINE, AND DISCHARGE

11.01 Disciplinary action and discharge will be issued only in cases where there is just cause.

(a) The Employer accepts and will adhere to the principles of progressive discipline. The value of progressive discipline with the aim of being corrective in application is recognized by both parties. Where appropriate, discipline will be preceded by coaching. The Employer will inform the employee of this right. If an employee chooses not to exercise this right, their decision shall be communicated to the Union and Employer in writing.

11.04 Prior to disciplining an employee, the Employer will meet with the employee and a Union representative unless the employee chooses not to exercise their right under Article 11.03. At this meeting, the Employer will advise the employee of the reason(s) for the meeting and provide the employee with an opportunity to respond. Within 5 business days of this meeting or within 5 business days of any additional meeting(s) the Employer may require to follow-up on the details of the employee's response, the Employer will impose discipline, if any.

- 11.05 The Employer will remove warnings or suspensions in an employee's employment file after the employee has worked 3 academic terms or a maximum of 13 months during which there has not been subsequent discipline during that period of time.

- 11.07 A copy of all disciplinary letters regarding warnings (written or verbal), suspensions or discharges shall be provided to the Union, within 2 business days of their issuance to the employee and will be marked "confidential".
