

Ashley Cole

Women's Committee Chair (Monthly Report January 2021)

Hello, I have a few updates on behalf of the women's committee. As mentioned previously, Shirleen and I drove up to Six Nations' Six Nations Sexual Health Services after getting approval from last month's GMM to drop off the remainder of the personal hygiene products from the previous year's campaign against period poverty. I will also be attending the upcoming Hamilton's International Women's Day Celebration with Shirleen. I encourage anyone interested to join us on Wednesday, March 10th, 2021, 7 pm - 9 pm to celebrate the many accomplishments of women and commemorate their struggles and achievements throughout history. Registration is free and open to all (Here is the link:

<http://hdlc.ca/IWD2021>). Currently, the Women's Committee plans to celebrate International Women's Day with solidarity stickers bought from a local seller and women of colour. We are excited to mail a limited number of stickers for our members on a first come first serve basis! If there any questions, please feel free to contact me.

In solidarity,

Ashley Cole

Women's Committee Chair (womenscommittee@cupe3906.org)
