- 1.05** The parties recognize and acknowledge that McMaster University is located on the traditional territories of the Mississauga and Haudenosaunee nations, and within the lands protected by the “Dish With One Spoon” Wampum agreement.

ARTICLE 2 – RECOGNITION

- 2.01 (a)** The Employer recognizes the Canadian Union of Public Employees/Syndicat canadien de la fonction publique as the sole and exclusive bargaining agent for all its part-time employees, including professional engineers, in Ontario, employed as teaching assistants, demonstrators, tutors and super tutors, markers, and research assistants who receive a research assistantship in lieu of a teaching assistantship, save and except those persons employed in a managerial capacity or in a confidential capacity with regard to labour relations. A part-time employee is defined as one who, subject to the provisions of Article 12, normally works an average of 10 hours per week or less to a maximum of 260 hours. Normally this work is carried out over 2 academic terms within an academic year. One of the terms may be a summer term. For the purposes of clarity, this Article excludes faculty, postdoctoral fellows, research associates, research fellows, senior demonstrators, instructional assistants, and user assistants at the Computing Centre.
- (b)** For clarity, a Research Assistant who receives a research assistantship in lieu of a teaching assistantship is an employee who is eligible for a teaching assistantship under Article 13 and to whom a faculty member has arranged to assign a specific research project instead.

ARTICLE 4 – MANAGEMENT RIGHTS

4.01 The Union recognizes that the management of the University is fixed exclusively in the Employer, subject to the provisions of this Collective Agreement, and without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Employer to:

- (a) maintain order, discipline, and efficiency;
- (b) hire, appoint, re-appoint, not appoint, assign, transfer, lay-off, recall, direct, discharge, and suspend or otherwise discipline employees, provided that a claim of discharge or discipline without just cause may be the subject of a grievance, to be dealt with as hereinafter provided;
- (c) plan, direct and control operations; determine job classifications, job requirements, and hours of work; determine work assignments, methods, schedules, procedures, and standards;
- (d) determine the size, composition, and deployment of the workforce;
- (e) put into effect, enforce, and alter reasonable policies, rules and regulations governing the conduct of the Employer and the employees.

4.02 The Employer agrees that it will not exercise its rights as set out in this Article in a manner inconsistent with this Collective Agreement and confirms its commitment to administer this Collective Agreement reasonably such that its decisions must not be arbitrary, discriminatory, or made in bad faith. The Union agrees that the fact of the Employer exercising its rights under the Article shall not constitute harassment.

4.03 The Employer further agrees that it will exercise its rights as set out in this Article in a manner that is reasonable.

ARTICLE 5 – UNION REPRESENTATION

5.01 (a) The Employer recognizes the right of the Union to appoint up to 4 stewards to represent each Department, providing that such stewards are employed through the Department. Where the Union consolidates departmental representation, the steward(s) must be employed through 1

of the consolidated Departments he/she represents. Stewards may represent all employees in the same Department regardless of the "academic unit" to which the employees are assigned. The Chief Steward or his/her delegate within the academic unit or the President will exercise the rights of the steward in the following situations:

- i) where there are no stewards appointed in that academic unit; or
- ii) where stewards from more than one Department could represent employees in that academic unit; or
- iii) where the stewards are not available.

(b) The Employer will allow a Union representative to facilitate steward elections in each academic unit on the understanding that the Union representative and the elections will not interfere with employee working time or with the operation of the Department. The timing of such elections will be done in consultation with departments to ensure a mutually beneficial time.

5.02 (a) The Employer will recognize a Union bargaining team that includes up to 8 bargaining unit members who are employees, or who were employees under the most recent Collective Agreement, in the capacity of Union bargaining representatives. The Union and the Employer agree to limit membership on their respective bargaining teams to a total of 12 each.

(b) The Parties shall advise each other of their bargaining committee members. Where a member of the Union bargaining committee encounters an unavoidable conflict between any scheduled contract hours arising from appointment as an employee and attendance at a scheduled negotiation meeting with the Employer, the member of the Union bargaining committee shall be entitled to attend the negotiation meeting without loss of pay, up to and including the first day of conciliation. The affected member shall provide their Employment Supervisor with as much advance notice as possible.

(c) For any subsequently scheduled days with the Employer the Employment Supervisor will endeavor, subject to operational requirements, to provide alternative work arrangements to allow the Union bargaining team members to participate in negotiations without loss of pay.

5.03 (a) The Parties recognize that all employees in the bargaining unit, including Stewards, bargaining team members, and Local Executive members, have regular duties to perform as employees of the Employer. Therefore, Stewards and other representatives appointed pursuant to this Agreement will not leave their duties without consent from their employment supervisor (or in his/her absence, the Department Chair) and such consent will not be unreasonably withheld. When in the course of negotiating or administering this Agreement an employee, acting in an official capacity for the Union, is meeting with representatives of the Employer, the parties will use their best efforts to arrange for mutually convenient meeting times that do not conflict with the employee's duties. In the event that a mutually agreed meeting time does conflict with such duties, it is the joint responsibility of the employee and his/her employment supervisor to arrange for the missed time to be made up in such a way that the employee will not suffer any loss of wages.

(b) In exceptional circumstances, an employee may request to attend meetings or conventions to represent the Union. If such a request is granted by his/her Employment Supervisor, it is the joint responsibility of the employee and his/her Employment Supervisor to arrange for the missed time to be made up in such way that the employee will not suffer any loss of wages.

(c) A Union representative shall be entitled to provide an overview of the role of the Union at a Department, Faculty, or University orientation event for employees in the bargaining unit. The Union shall be notified of the scheduling of such events.

Expert Advisors

5.04 The Employer recognizes that the Union has the right at any time, with appropriate advance notice, to call upon the assistance and presence of a duly authorized representative from a law firm, the National Union, or other qualified representative of the Union's choice. Such duly authorized representatives will have access to the Employer's premises to consult with Union Representatives/Stewards and/or Employees.

5.05 Joint Labour Management Committee (JLMC)

- (a) Terms of Reference:** The parties acknowledge the mutual benefits to be derived from joint consultations and agree, therefore, that there shall be a Joint Labour Management Committee (JLMC) comprising representatives of the Employer and representatives of the Local's bargaining units with the purpose of fostering effective communications and labour relations between the parties during the term of this Agreement. Additionally, consultation and discussion in this forum is intended to further the "Scope and Purpose" of the parties' 3 Collective Agreements. Accordingly, the parties have adopted the following Terms of Reference:
- (b) Membership and Participation:** Each party will determine its representatives at any meeting of the JLMC to a maximum of 7. Of the Local's 7 representatives, at least 1 must be appointed from the bargaining unit. Normally, for the Local, this representation will include the Local President and the Staff Representative(s), and, for the Employer, the Associate Vice-President and Dean of Graduate Studies, the Associate Vice-President Academic, and an E/LR Representative. The parties understand and agree that on occasion it may be necessary, due to absence or time constraints, for 1 of the individuals named herein to appoint a designate to attend the JLMC meeting in his/her place.
- (c) Meetings:** The JLMC will meet in September, November, January, March, May, and July of each year or by mutual agreement. The dates for these meetings will be determined by the parties at the preceding meeting or by mutual agreement thereafter. Meetings will normally be for 2 hours.
- (d) Committee Chair:** The Union will appoint a Chair to the JLMC.
- (e) Agendas:** The parties will exchange agenda items 1 week prior to each meeting and the Chair will issue an agenda 1 week prior to each meeting. Background materials which may accompany an agenda item will be made available 1 week prior to the meeting to which they pertain. With time permitting, and the consent of those in attendance, additional items may be added to an agenda. Items shall be presented by the parties in alternating sequence, beginning with the Local. **Guests:** With the approval of the other party the Union or the Employer may invite (a) guest(s) to a JLMC meeting for the purpose of providing the JLMC with information or expertise.
- (f) Minutes:** Both parties will take minutes of each meeting.
- (g) Administrative Support:** The Employer will be responsible for canvassing dates and locations for the meeting and will provide this information to the Chair.
- (h) Appropriate Topics:** Agenda items may include any topic of interest or concern to either party, provided that it does not deal with the specifics of a current grievance. Unless agreed otherwise by the parties, meetings shall address issues pertaining solely to bargaining units not engaged in a period of collective bargaining. Agenda items can include bargaining unit specific matters. The Employer recognizes the work of members of the bargaining unit which supports the

academic mission of the University. As such, agenda items can also include items that may arise as a result of their instructional activities.

- (i) **Authority:** Depending on the nature of the issue, representatives of the parties may be comfortable in reaching decisions at a JLMC meeting. However, representatives cannot make decisions that are formally binding on either party. Rather, representatives may agree to recommend acceptance of a course of action to their respective principals, with formal agreement on the issue being confirmed separately between the parties.
- (j) **Wages:** Attendance at such meetings by representatives who are employees in the bargaining unit will be covered by the provisions of Article 5.03 of this Agreement and such employees will not be entitled to additional compensation for attendance at JLMC meetings.
- (k) **Other:** The parties may determine by consensus additional Terms of Reference that provide for the effective administration and operation of the JLMC. Such additional terms will be included in the minutes.

5.06 Each party agrees to meet to discuss any matters related to this Agreement only with those persons properly authorized to represent the other party. To this end, the Union and the Local, as applicable, will supply the Employer with the names of its executive committee, stewards, staff representative(s), and administrative staff, and will keep the Employer informed of any changes to that list in a timely fashion. Likewise, the Employer will supply the Union with a list of those persons properly designated to discuss matters concerning this Agreement and will inform the Local of any changes to that list in a timely fashion.

5.07 Subject to the terms of Article 10, all correspondence between the parties arising out of this Agreement or its negotiation or any matter incidental thereto, shall pass directly to and from the Assistant Vice-President and Chief Human Resources Officer (or their designate), and the Local Executive.

5.08 The Employer will provide the Union with copies of Departmental Handbooks, if any, that are directed at groups of bargaining unit employees and that pertain to this Agreement.

5.09 Only the President of the Local (or their designate) is permitted to make any written or verbal agreement that conflicts with the terms of this Agreement.

5.10 (a) In the event of organizational change(s) involving the elimination, amalgamation, or creation or other re-organization of a Department or Departments or Faculty or Faculties, the Employer will meet with the Union to discuss the general nature of the impending change(s) and the effect of the change(s) on the employee in the Department(s) affected. This meeting may be facilitated through the Joint Labour Management Committee.

- (b) Where an individual Department reorganizes programs or courses so that fewer appointments are required, every effort will be made to implement the change at the end of the Term. The Union may raise the matter for discussion at a JLMC.

- 8.04 (a)** The Employer agrees that communication from the Union to its membership is important. Mailbox facilities vary from Department to Department; however, the Employer will make every effort to provide adequate mailbox facilities to facilitate this communication.
- (b)** For Teaching Assistants, including all Undergraduate Teaching Assistants, who do not already have access to a mailbox in an academic unit, the University undertakes to provide, at a minimum, 1 mailbox per 10 (or portion thereof) such Teaching Assistants in the academic unit.
- 8.05** The Employer's current practice is to file Records of Employment ("ROEs") electronically with Employment and Social Development Canada. Employees are currently able to view and print their ROEs from the "servicecanada" website. If the Employer's practice of electronic filing is going to change, the Union will receive 10 business days' notice of the change.

ARTICLE 9 – NO STRIKE OR LOCKOUT

- 9.01** There shall be no strike or lockout during the term of this Collective Agreement. The words “strike” and “lockout” shall be as defined in the Ontario Labour Relations Act, 1995 (S.O. 1995, c.1, Sch. A, as amended).
- 9.02** In the event that any person represented by a trade union and employed by the Employer, other than those represented by the Union, engages in a lawful strike or is lawfully locked out, members of CUPE 3906, Unit 1 will not be required to perform work normally performed by such person. The Employer will ensure that all employment supervisors are informed that members of the bargaining unit should not be requested to do such work.

ARTICLE 10 – GRIEVANCE PROCEDURE

- 10.01 (a)** It is the Employer’s responsibility to maintain an environment in which employees remain free from harassment, intimidation, and any threats, explicit or implied, which are designed or might reasonably be understood to dissuade an employee from exercising his/her their rights under Article 10, or any other right provided for in this Collective Agreement.
- (b)** The parties recognize the importance of confidentiality and agree that all grievances will be discussed, disseminated, or otherwise shared by each of them on a need to know basis as determined by each of them at their discretion.
- (c)** To ensure that complaints of employees are remedied as quickly as possible, the parties agree that the procedure for submitting and dealing with grievances, which shall be defined as any difference arising out of the interpretation, application, administration, or alleged violation of this Collective Agreement, shall be as follows:
- (i) Step 1: The Union, on behalf of the employee, may submit a written grievance signed by the Grievor and their Steward or Union representative, to the Chair (or the Chair’s equivalent or designate) of the Department in which the employee works within 15 business days after receiving the reply of the employment supervisor. The nature of the grievance and the remedy sought shall be clearly set out in the grievance. The Department Chair or their equivalent or designate will deliver their decision in writing within 15 business days following the day on which the grievance was submitted to them. Failing settlement at this Step, then:
- (ii) Step 2: Within 15 business days following a decision under Step 1, the Union/grievor(s) may present the written grievance to the Dean of the Faculty (or their designate) in which the grievor is employed, or Vice--Provost (Faculty), (or their designate) if the academic unit is not administered by a particular Faculty. The Dean or Vice--Provost (Faculty), (or their designate) will hold a meeting with the grievor(s), the Steward or Union Representative who signed the grievance and, at the Dean’s or Vice--Provost’s (Faculty), their designate’s) discretion, an E/LR Representative to discuss the grievance. The Dean or Vice--Provost (Faculty), (or their designate) will give their written decision within 15 business days after the date on which the grievance was submitted to them. Failing settlement at this Step, then:
- (iii) Step 3: Within 15 business days following a decision under Step 2, the Union/grievor(s) may submit the written grievance to the Vice- Provost (Faculty). The Vice Provost (Faculty) (or their designate), will convene a meeting with the grievor(s), the Steward or Union Representative who signed the grievance and 2 other representatives designated by the President of the Local and, at the Vice- Provost’s

or designate's discretion, an E/LR Representative, to discuss the grievance. The Step 3 reply is required in writing within 15 business days after the date on which the grievance was submitted to them. Failing a satisfactory settlement at this Step, the grievance may be referred to arbitration within 15 business days after the date on which the reply to Step 3 was given.

- (d) Where the Employment Supervisor is a Department Chair or Faculty Dean, the Union may advance to either Step 2 or Step 3 of the Grievance Procedure, as the case may be.

Policy Grievance

- 10.02** A grievance arising directly between the Employer and the Union concerning the interpretation, application, or alleged violation of this Collective Agreement shall be originated at Step 2. However, it is expressly understood that the provisions of this paragraph may not be used by the Union to institute any individual grievance directly affecting an employee which such employee could themselves institute, thereby bypassing the regular Grievance Procedure. Any grievance by the Employer or the Union as provided for in this paragraph shall be commenced within 20 business days after the circumstances giving rise to the grievance have occurred or 20 business days of the time the grieving party reasonably ought to have known of the circumstances. The grievance must be signed by the Vice-President, Academic or the Union President respectively, or their designates. Where the grievance affects more than one Faculty, it shall be originated at Step 3.

Group Grievance

- 10.03** A grievance resulting from a complaint of several individuals, or several individual grievances regarding the same circumstances, may be consolidated and submitted at Step 2 of the Grievance Procedure, within 20 business days after the date on which the circumstances giving rise to the complaint(s) originated, or occurred, or ought reasonably to have been known by the grieving parties.

General

- 10.04** A claim by a non-probationary employee that they have been unjustly discharged or disciplined shall be treated as a grievance if a written statement of such grievance setting out the nature of the grievance and the remedy sought is lodged at Step 2 of the Grievance Procedure within 20 business days after the discipline or discharge takes effect.
- 10.05** The Employer and the Union shall attempt to schedule grievance meetings so as not to interfere with the grievor's employment duties. In the event that an employee's presence is required for a grievance meeting or for attendance at arbitration, the employee will make every attempt to arrange an exchange or substitution for their duties and will advise the employment supervisor of such arrangements. Upon receiving notice of any pending meeting the employee shall provide the employment supervisor with reasonable notice.
- 10.06** If an employee applies for a bargaining unit position and grieves the Employer's decision not to appoint the employee to that position, or if the Union initiates a pre-grievance query, the Employer, via the appropriate E/LR Representative, will provide the Union with the name of the appointee and advise as to their seniority and whether or not they hold a guarantee under Article 13.02(a) or 13.02(b). Failing resolution of the grievance at the pre-grievance query, a formal grievance may be submitted at Step 2.
- 10.07** A grievance alleging a violation of Articles 6 or 18 of this Collective Agreement may be submitted at Step 2 within 20 business days after the date on which the circumstances giving rise to

the complaint(s) originated, or occurred, or ought reasonably to have been known by the grievor.

- 10.08** At any point after a written grievance has been filed, upon consent, the parties may freeze the time limits in the grievance process to engage in mediation or mediation/arbitration. The Mediator will be selected by agreement of the parties.
- 10.09** All agreements reached under the Grievance Procedure between the representatives of the parties will be final and binding upon the parties and the employees.
- 10.10** No matter may be submitted to arbitration which has not been properly carried through all the requisite Steps of the Grievance Procedure. Where no answer is given within the time limits specified in the Grievance Procedure, the grieving party shall be entitled to submit the grievance to the next Step of the Grievance Procedure.
- 10.11** If the Employer or the Union requests that a matter be submitted to arbitration, it shall make such request in writing addressed to the other party. In the case of a referral by the Union, the referral will be sent to the E/LR Representative who has been involved in the Grievance Procedure and, in the case of a referral by the Employer, the referral will be sent to the President of the Local. Within 10 calendar days after the referral is received, the parties will attempt to agree on the selection of a sole Arbitrator. If they are unable to agree on a sole Arbitrator, the referring party may then request the Minister of Labour to appoint a sole Arbitrator. No person may be appointed as an Arbitrator who has been involved in an attempt to settle a grievance that is the subject matter of the referral.
- 10.12** The Arbitrator shall be governed by the following provisions:
- a. they shall hear and determine the grievance and shall issue a decision which shall be final and binding on the parties and employees;
 - b. they shall not have jurisdiction to: (i) amend, alter, modify, or add to any provisions of this Collective Agreement; or (ii) issue any decision inconsistent with the terms and provisions of this Collective Agreement, provided that this prohibition does not affect the Arbitrator's statutory authority to modify disciplinary penalties;
 - c. the parties hereto will share equally the fees and expenses of the Arbitrator;
 - d. if they consider it necessary to do so, the Arbitrator shall have the authority to take a view of the Employer's premises insofar as they determine that such a view may be relevant to their decision; and
 - e. they shall, in the first instance, have the jurisdiction to determine whether the grievance is arbitral.
- 10.13 (a)** The time limits fixed in both the Grievance and Arbitration Procedures may be extended only by written agreement of both parties to this Collective Agreement. Similarly, any Step of the Grievance Procedure may be waived by written consent of the responding party.
- (b)** In exceptional circumstances the Union may direct, to the attention of the Assistant Vice-President and Chief Human Resources Officer (or their designate), a request that a grievance that would otherwise be submitted at Step 1 or Step 2 be expedited by having the matter addressed at a single grievance meeting. Such a request will include the grievance and the reasons for the Union's request that the grievance be expedited. Should the Assistant Vice-President and Chief Human Resources Officer (or their designate) agree to expedite the

grievance as requested, they will provide the Union with the name of the Employer representative who will hear the grievance and the timelines will be those of Step 3 of the Grievance Procedure. If such a request is denied, the Union will be notified within 5 business days, and the grievance will be heard at the appropriate Step of the formal Grievance Procedure as though it had been received on the date that the Union's original request to expedite the matter was received.

- 10.14** Notwithstanding all of the provisions of Article 10, the parties hereto may agree that a grievance be referred to a Board of Arbitration. At the time that a grievance is submitted to arbitration the referring party shall nominate its representative. Within 10 calendar days thereafter the other party shall nominate its representative and notify the referring party. The two representatives shall, within 10 calendar days after the nomination of the responding party's representative, attempt to settle by agreement the selection of the Chair of the Arbitration Board. If the representatives are unable to agree on a Chair, they may then request that the Minister of Labour appoint a Chair. Members of the Arbitration Board shall have the same powers and be subject to the same restrictions as a sole Arbitrator appointed under this Collective Agreement. No person may be appointed to the Arbitration Board if that person has been involved in an attempt to settle the grievance that is to be heard by the Arbitration Board.

ARTICLE 11 – COUNSELLING, DISCIPLINE AND DISCHARGE

- 11.01 (a)** Disciplinary action and discharge will be issued only in cases where there is just cause.
- (b)** The Employer accepts and will adhere to the principles of progressive discipline. The value of progressive discipline with the aim of being corrective in application is recognized by both parties. Where appropriate, discipline will be preceded by counselling. Progressive discipline will typically involve:
- i) a verbal warning first,
 - ii) followed by a written warning,
 - iii) followed by suspension prior to discharge.
- (c)** Disciplinary action shall be documented and communicated at a meeting convened specifically for that purpose.
- (d)** Subject to the Union's right to grieve the Employer's decision to do so, the Employer may skip one or more Steps in the progressive disciplinary process, having regard for the severity of the conduct in question and the relevant mitigating and aggravating factors, if any.
- 11.02** The Employer and the Union acknowledge that disciplinary investigations must be treated as confidential by all parties. Information shared with affected parties during the course of an investigation shall not constitute a breach of confidentiality for the purposes of this Article.
- 11.03** An Employee has the right to be accompanied by a Union Representative at each disciplinary meeting. The Employer will inform the employee of this right. If an employee chooses not to exercise this right, their decision shall be communicated to the Union and Employer in writing.
- 11.04** When the Employer is considering disciplining an employee, the Employer will meet with the employee and a Union representative unless the employee chooses not to exercise their right under Article 11.03. At least 2 days in advance of such a meeting, the Employer will advise the Union of the general purpose of the meeting, and the general nature of the allegations, as well as the time and location. At the meeting, the Employer will advise the employee of the specific allegations and will provide the employee with an opportunity to respond. Within 15 business days of this meeting the Employer will impose discipline, if any. Requests for extension for additional time will not be unreasonably denied by Union.

- 11.05** The Employer will remove warnings or suspensions in any employee's personnel file that are more than 12 months old unless the employee has had subsequent discipline during that period of time.
- 11.06** The parties agree that all documentation related to matters subject to Article 11 shall be handled in accordance with the principles set forth in Article 10.01(b).
- 11.07** A copy of all disciplinary letters regarding warnings (written or verbal), suspensions or discharges shall be provided to the Union, within 2 business days of their issuance to the employee and will be marked "confidential."
- 11.08** If any disciplinary action is rescinded, the discipline will be removed from the employee's employment file. If an employee is disciplined, the employee may add their written comments to their employment file if they wish.

ARTICLE 12 – HOURS OF WORK

- 12.01 (a)** Subject to Article 12.03 a teaching assistantship or a research assistantship in lieu thereof is a position that normally requires an average of 10 working hours per week, normally over 2 academic terms for a maximum of 260 hours, excluding hours allocated for training and orientation in accordance with Article 18. One of the terms may be a summer term.
- (b)** Nothing in this Collective Agreement restricts any member of the bargaining unit from securing employment opportunities off the University campus.

Compressed TAship

- (c)** The workload of an employee may be compressed into a shorter time period, at the mutual agreement of the employee and the Employer. Subject to the provisions of Articles 12.02, 13.01 and 13.02, a graduate student who has accepted a written offer of a teaching assistantship from the School of Graduate Studies and who is offered a compressed teaching assistantship assignment by their Department but does not wish to accept it, will be offered an alternative non-compressed teaching assistantship.
- (d)** (i) It is further understood that when an employee performs a compressed teaching assistantship, they shall be paid as defined in Article 16.01 of this Collective Agreement for all hours worked in the preceding pay period.
- (ii) Agreement by an employee to accept a compressed assistantship in 1 year shall not become a precedent against their opting for a normal 2 term assignment in any succeeding year of employment.

General

- (e)** Proportionate teaching assistantships (or research assistantships in lieu thereof) may be arranged and will be paid for on a pro rata basis, and will include positions limited with regard to hours and/or dollars by the terms of grants, scholarships and awards. Subject to such limitations, no proportionate teaching assistantship (or research assistantship in lieu thereof) shall be created for fewer than 32 hours, exclusive of hours allocated for training and orientation in accordance with Article 18 and the LOU re Training.

- (f) The parties agree that all time spent holding office hours at times and duration assigned by the Employment Supervisor will be considered as work time.

12.02 (a) An employee will normally work in the Department in which they are registered as a student, but may be required to work in another Department, provided that the assigned work is compatible with the duties set out in 12.03(b) below.

- (b) Should an employee be offered at TA assignment in a Department that is not the Department that they are registered as a student and the employee does not wish to accept it, the Employer will consider an alternative bargaining unit assignment.

12.03 (a) (i) It is understood that the primary responsibility for planning and assigning a workload that does not exceed an average of 10 hours per week over an academic term lies with the Employer. This includes the responsibility of the Employer to assign a workload that can reasonably be expected to be completed by a suitably qualified employee within the hours allotted.

(ii) The employment supervisor will notify an employee at least 5 business days in advance in those instances where the projected workload is likely to exceed a total of 20 hours in any particular week. Similarly, the employee has a responsibility to notify their employment supervisor when they become aware that the projected workload is likely to exceed a total of 20 hours in any particular week.

- (b) (i) All assigned duties of an employee shall be included in the calculation of required hours. Such duties for employees may include, but are not limited to, the following: meeting with supervisors, preparation, teaching, demonstrating, class leadership, laboratory supervision, marking, student consultation (including, but not limited to, office hours, email, and online contact time), supervision of field trips, provision of other academic support and assistance, and training and orientation as noted in Article 18. In the case of research assistantships (in lieu of teaching assistantships), the assignments shall include assisting faculty members with research. Time spent on assigned duties must be within reasonable limits given the demands of the job and the Department.

(ii) Any training that is required by the employment supervisor solely for the conduct of a Teaching Assistant's employment duties and not contemplated by Article 18 will be included on the Hours of Work form.

(iii) The Hours of Work form shall include the nature of tasks and expectations of grading.

- (c) To meet the responsibility outlined in Article 12.03(a)(i), a meeting between each employee, including both those in Classification 'A' and those in Classification 'B,' and their Employment Supervisor must be held prior to the commencement of the employee's duties in the applicable academic term. Time spent at this meeting shall be included in the Hours of Work form. At this meeting, the Employment Supervisor will describe the work to be done, giving details, including details about the nature, number, and scheduling of specific assignments and the estimated hours of work each will involve. The employee and Employment Supervisor will discuss this information, taking into account course enrolment, nature of assignments, and expectations for grading, in determining reasonable workload. Following this discussion, the *Hours of Work* form in Appendix "B" will be completed and signed by the employee and the Employment Supervisor.

- (d) The Employment Supervisor and the employee shall each retain a copy of the completed, signed and dated *Hours of Work* form. A copy will be sent to the Union office, normally on or before the following dates: October 31st for assignments in the fall term; February 28th for assignments in the winter term; May 31st for assignments in the spring/summer term. If the

commencement of the employee's duties in the applicable academic term occurs after the specified date above, then the *Hours of Work* form will be sent to the Union office within 5 business days after completion by the Employment Supervisor and employee. The Department will retain a copy of this completed form for a minimum of 3 years.

12.04 Hours of Work Adjustments/Additional Hours of Work

- (a) If, at any time during an assignment, either the employee or Employment Supervisor wishes to amend the allocation or number of hours on the Hours of Work Form, either party may request and will be granted a meeting for this purpose within 5 business days.
- (b) As soon as an employee has a reasonable belief that they will be unable to perform the duties of the position within the hours specified, they shall request and will be granted a meeting with their Employment Supervisor within 5 business days.
- (c) Any changes to the employee's assignment will be attached to the *Hours of Work* form and such revisions will be initiated by both parties. A copy of the revised form will be retained by the Department and forwarded to the Union.
- (d) If the matter is not resolved to the employee's satisfaction, they may then meet with their Employment Supervisor and Department Chair (or their delegate) or their Department for a final determination. If the employee chooses to have a Union Representative present at such a meeting, any subsequent grievance would be filed at Step 2 of the grievance procedure as outlined in Article 10.
- (e) Unless the Steps provided for in 12.04 have been followed, and written permission received, no employee shall be requested or permitted to perform work beyond their originally allocated hours.
- (f) If an employee accepts a request to work additional hours, the employee will be paid in accordance with Schedule "A".
- (g) The Employer shall offer assistance and provide a supportive environment to its Employees experiencing domestic violence, including accommodating a leave(s) of absence, adjustment of work schedules, giving consideration in the situation of discipline or other supportive responses as may be appropriate in the circumstances. In all responses to domestic violence, the Parties shall respect employees' confidentiality.
- (h) Where an employee is experiencing difficulty meeting their employment obligations, for reasons of language or otherwise, they are encouraged to speak with their Employment Supervisor.

12.05 In the event that multiple employees are assigned to the same course, it is understood that all reasonable efforts will be made to ensure that hours of work and duties are distributed evenly among all employees who are assigned equivalent hours of work for that course.

12.06 Employees will not be required to grade deferred term work or deferred exams submitted after the end of the academic term in which an employee holds an assignment. It is understood that such work is the responsibility of the course instructor. However, if an employee agrees to grade deferred term work or deferred exams submitted after the end of the academic term in which an employee holds an assignment, the employee will be paid at the rate specified in Schedule "A," based on the employee's status at the time of grading. Furthermore, if an employee agrees, at the Employer's request, to attend an academic integrity hearing or at an academic appeal hearing, the employee will be compensated for such attendance at the

rate specified in Schedule "A," based on the employee's status at the time of such hearing.

- 12.07** If the Employer cancels an appointment after an employee has received a written offer and the employee holds a guarantee pursuant to Article 13, the Employer will provide an alternative teaching assistantship or a research assistantship in lieu for the equivalent number of hours.
- 12.08** If an employee has a reasonable belief that their academics will suffer as a result of their employment duties, they may request an extension or modification of duties from their employment supervisor. Such request shall not be unreasonably denied.
- 12.09** If an employee has a reasonable belief that their academics will suffer as a result of having the same employment and academic supervisor, they may request an alternative employment supervisor. Such a request shall not be unreasonably denied.

ARTICLE 13 – POSTINGS AND APPOINTMENTS

- 13.01** A qualified full-time graduate student may be offered a teaching assistantship at the time of their admission to their 1st year of study.
- 13.02 (a)** Every regular full-time graduate student in the Doctoral program who has been employed as a teaching assistant (or research assistant in lieu thereof) during a part of the 1st year of study in that program will be re-employed as an assistant during a part of each of the 3 succeeding years of study subject to their maintaining regular full-time graduate status and to their ability to perform the work. Similarly, students first employed as an assistant in the 2nd year of their program will be re-employed during a part of each of the 2 succeeding years of study subject to their maintaining regular full-time graduate status and to their ability to perform the work, and students first employed in the 3rd year of their program will be re-employed during a part of the 1 succeeding year of study, subject to their maintaining regular full-time graduate status and to their ability to perform the work.
- (b)** Students may defer up to 1 term of their guarantee, subject to approval from their Department. Such approval shall not be unreasonably denied. Students who exercise this right will have their guarantee period extended by 1 term. The Parties will use the Declination/Deferral form found at: <https://hr.mcmaster.ca/employees/labour-relations/cupe-local-3906-unit-1-tas/>
- (c)** An Employee who is offered work in more than 2 separate academic courses per academic term but does not accept will be offered an alternative appointment for the equivalent number of hours of work. The Employee's refusal to work in more than 2 separate academic courses per academic term will not constitute a refusal of their guarantee.
- (d)** Every regular full-time student, in a Master's program, which is greater than 1 year's approved duration, who has been employed as a Teaching Assistant (or research assistant in lieu thereof) during a part of the 1st year of study in that program, will be re-employed as an assistant during a part of the 1 succeeding year of study, subject to their maintaining regular full-time graduate status and to their ability to perform the work.
- (e)** Teaching assistantship vacancies in each Department (or program) may be offered to qualified 5th or 6th year full time Doctoral students who are registered within that same Department (or program). Such appointments are at the full and exclusive discretion of the Employer. In the event the Employer decides to offer such an appointment, the Department will consider all then current 5th or 6th year full time Doctoral students registered in that Department, with the exception of any student who has indicated in writing that they prefer not to be considered.

- (f) An employee for whom a release is granted in accordance with Article 7.03 and who possesses a guaranteed TAship (or RAship in lieu) for that academic year under Article 13.02, will have their Guarantee deferred.
- (g) (i) Re-employment in a succeeding year of study referred to in Article 13.02(a) and (d) will be at the same or greater number of hours as the current teaching assistantship (or research assistantship in lieu thereof), up to a maximum of 260 hours over 2 academic terms.
 - (ii) The employee may, with the approval of the head of the academic unit in which they are employed, choose to waive the right to employment provided for under 13.02(a) or (d) in 1 or 2 terms of any academic year and such waiver will have no impact on future guaranteed re-employment under 13.02(a) or (d). Approval of head of the academic unit will not be unreasonably withheld.
- (h) A teaching assistantship in Article 13.01 and 13.02(a) or (d) may be fulfilled by a research assistantship in lieu thereof at the discretion of the head of the academic unit after discussing this with the employee.
- (i) (i) The assignments in each Department available to Teaching Assistants identified in Articles 13.01 and 13.02 will be posted via email or through Mosaic using the Unit 1 posting form in Appendix "A" no later than August 1st. Appointees may, in the week following posting, indicate their preferences in writing to their assigned Department. Ability, academic qualifications, previous experience with course material, lived experience relevant to the course material and written notification of preferences will be amongst the factors considered in allocating available assignments to employees.
 - (ii) When all factors have been considered and a vacant assignment(s) still exists, this assignment(s) shall be filled by the unassigned Teaching Assistant with the highest seniority according to their written preferences, if any.

Seniority

- (j) (i) The re-employment of a full-time graduate student who was appointed in the immediately previous year, to a teaching assistantship or a research assistantship in lieu thereof shall be contingent upon their authorized continuation in a program of study.
 - (ii) Withdrawal, suspension, expulsion, or release from their program of study shall constitute just cause for suspension, release, or discharge of the employee from their employment. In any case in which withdrawal, suspension, or expulsion from a program of study is the subject of a successful academic appeal, the employee shall be reinstated with full back pay and all lost seniority.
 - (iii) Completion of their program of study or transfer to part time status shall result in the cessation of the employee's employment at the end of the academic term in which the employee completes their program of study or transfers, as the case may be, and shall remove any entitlement under Article 13. For the purposes of this Article, completion of a program of study shall not include the situation where an employee completing a Master's program is admitted to a Doctoral Program at McMaster University in the following academic year.

Additional TAships

- 13.03 (a)** After the requirements of Article 13.02 have been fulfilled, each academic unit shall post all other remaining known teaching assistantship positions as soon as possible, but no later than August 15th each year for at least 1 week. Applicants may, in the week following posting, apply in writing to a particular position of the known teaching assistantship positions posted.
- (b)** Teaching assistantship positions that become available after August 15th, but before the 1st day of the term in which the work will be performed shall be posted, using the Unit 1 posting form in Appendix “A,” by the academic unit for at least 1 week prior to the start of the appointment.
- (c)** Teaching assistantship positions that become available after the 1st day of the term in which the work will be performed shall be posted by the academic unit for at least 48 hours prior to the start of the appointment, unless the position(s) can be offered to and filled by applicant(s) who applied for and were not offered an appointment under 13.03(a).
- (d)** Postings referred to in 13.03(b) and (c) will be provided in electronic form to the Union. This may include postings sent to the Union via email from a departmental administrator.
- (e)** Notwithstanding Articles 13.02 and 13.03(a), (b), (c), and (d), Departments that do not offer graduate programs may post available positions and, if they choose to post, will do so in accordance with Article 13.04.

If stated in the posting, criteria may also include departmental preferences such as special experience or competence required (e.g. registered in same program/Department, specific courses completed, grades in those courses), full-time or part-time student status, or restriction to applicants not holding an undergraduate degree. The above criteria are not listed in order of priority.
- (b)** When, in the opinion of the employer making a selection, 2 or more candidates have relatively equal qualifications the candidate with the most seniority, as defined in Article 13.06, will be selected.

LETTERS OF UNDERSTANDING

Letter of Understanding re: Hours of Work

The Parties acknowledge and understand that the School of Graduate Studies, effective September 1, 2015, no longer requires the submission of the Permission Work Form for on-campus work up to 505 hours. However, the School of Graduate Studies continues to recommend a 10 hour weekly average and to monitor the maximum hours worked through McMaster payroll.

The current School of Graduate Studies regulation has not changed in the following respects: it allows for full-time graduate students to work up to a maximum of 505 hours over the academic year (September to August). Under the regulation, if a full-time graduate student chooses to work beyond 505 hours in an academic year, the School of Graduate Studies requires the student to change their student status from full-time to part-time. A student who does not maintain their full-time graduate student status will have certain implications under the collective agreement.

For clarity, an employee's hours of work are governed by the collective agreement and their particular assignment in a given academic year.

Subject to the Letter of Understanding re: Policies Affecting Terms and Conditions of Employment, it is understood that the School of Graduate Studies policies and regulations may change from time to time and are not subject to negotiation by the Parties.
