

Dear CUPE Members,

Over the past month, I have participated in a number of CUPE activities in order to fulfill my responsibilities as your representative.

I have taken part in LMC meetings, met with the employer to raise and discuss members' concerns, and attended grievance and executive meetings. I continue to represent postdoctoral members at all CUPE meetings to ensure your voices are heard.

I am typically in the CUPE office on Wednesday and Thursday mornings. I have also been meeting with departmental stewards to support their departmental gatherings and activities.

We are currently looking for additional stewards. If you are interested in getting involved, please feel free to send me an email.
