

Dear Members of Unit 3,

In my role as Lead Steward for postdocs, I have actively participated in several local committees to fulfill my responsibilities and help protect the rights and benefits of Unit 3 members from multiple perspectives. These committees include the Postdoc Support Fund Administration Committee and the Benefits Committee. In addition, the Steward Council meeting for Unit 3 holds on March 15. I have also participated in several departmental social gatherings for postdocs organized by stewards.

Best regards,  
Bita Pourbahari  
Lead Steward for postdocs
