

Lead Steward Unit 4 Report | April/May 2026

Arham Ali (He/Him)

During the month of August, my focus as Unit 4 Lead Steward centered on orientation, member advocacy, and early preparations for the upcoming fall term. Throughout the month, I successfully conducted and facilitated orientation sessions to welcome incoming Unit 4 members, introduce them to their collective agreement rights, and familiarize them with union resources. In addition to onboarding, I assisted individual members with various inquiries and troubles, providing timely guidance and support to resolve workplace concerns.

On the engagement and outreach front, I initiated the planning process for our first end-of-August social event, which is designed to foster community building and peer connection as we head into the new academic year. Furthermore, I began planning for ClubsFest to ensure the union and Unit 4 maintains a strong, visible presence and engages effectively with members on campus. Finally, I continued working collaboratively with the executive team and union staff to streamline our operations and set a strong foundation for the busy year ahead.

As always, if you have any concerns or questions, please reach out! My email is leadsteward_reslife@cupe3906.org.

In solidarity,

Arham Ali
