

Dear Comrades,

Despite a few hiccups caused by CUPE ON we had a successful OUWCC conference. We heard from several people about the threats our sector faces both regarding lack of funding and other attacks from the Ford government. We had the chance to network with other locals and heard from several speakers about the threat of AI. I have stepped down as the McMaster Campus representative after being elected to serve as vice-chair of the committee. Caleb was elected by unanimous consensus to serve as our new Campus Rep.
