

President's Report (July–August 2026)

Activity Report: Mid-July to Mid-August

During the period from mid-July to mid-August, I was involved in a range of administrative, organizational, member engagement, and community-focused activities. The following summarizes the work completed during this period.

1. Email Correspondence

Managed and responded to emails related to ongoing responsibilities, meetings, events, and organizational matters. Followed up on tasks and communications as needed.

2. Executive Meetings

Attended Executive meetings and participated in discussions regarding ongoing union priorities, activities, and responsibilities.

3. Office Hours

Participated in office hours to remain available to members, respond to questions, and provide support regarding relevant concerns and activities.

4. Signatory Work

Completed signatory-related work and followed up on the necessary documentation and processes.

5. PSWG Event

Attended a PSWG event and participated in the discussions and activities as part of ongoing engagement with the group.

6. ISWG Meeting and Indigenous Community Support

Participated in an ISWG meeting and contributed to discussions and work toward passing a motion in support of Indigenous communities impacted by the fires.

7. Pantry Support

Went shopping for pantry supplies with the International Officer to help ensure that the pantry remained adequately stocked and available to members.

8. Meeting with the Treasurer

Met with the Treasurer to discuss relevant financial and organizational matters and to

coordinate on ongoing tasks.

9. Unit 4 Orientations

Attended Unit 4 orientations with the Lead Unit 4 Steward. Supported the orientation process and helped provide members with information about relevant resources, rights, and responsibilities.

10. Merchandise Order

Finalized the merchandise selection based on members' preferences and the budget available. After reviewing the members' choices and ensuring that the order remained within the allocated budget, the merchandise order was placed.

Overall, the work completed from mid-July to mid-August included administrative responsibilities, executive and committee participation, member engagement, community support, and coordination with other officers and members.
