

February 2026

Elissa Cunningham - Undergraduate Officer Report

Hello friends! Since the last GMM I have attended the regularly scheduled exec meetings and have been monitoring emails from members to ensure any inquiries are answered.

Additionally, I have continued to support unit 4 by attending the final bargaining days with the employer. The team has worked incredibly hard to get a first collective agreement and as of Friday 13th have a tentative agreement! We are looking forward to sharing more details with members at the upcoming meeting on Thursday February 19th.

I look forward to the upcoming month!

In solidarity,
Elissa Cunningham
