

Unit 3 Report

Dear Unit 3 Members,

As the Lead Steward for postdocs, I'd like to share a brief update on my recent activities. Over the past month, I've been actively involved in several local committees, including the Postdoc Support Fund Administration Committee, the Central Joint Health and Safety Committee (CJHSC), the Benefits Committee, the Grievance Committee, and the Executive Committee. I also hold the Unit 3 Steward Network meeting in October, where stewards shared updates from their departments and began planning for the end-of-term postdoc lunch. In addition to committee work, I've been focusing on recruiting new stewards to help build a stronger team dedicated to supporting our members. If you're interested in representing your department and making a meaningful impact, I encourage you to consider joining us as a steward, your involvement will support fellow postdocs and strengthen our unit as a whole.

Best regards,
Bita Pourbahari
Lead Steward, Postdocs
