

Women and Gender Rights Committee Report CUPE 3906

May 2026

The committee meeting did not take place due to a lack of quorum. The next meeting is being scheduled for June.

In the meantime, planning is underway for a Pride event in June. We are working closely with the Vice President External and the committee members, who have community connections and experience, to help guide and support this initiative.

Further updates will be shared as planning progresses, If you would like to be part of the committee or have any questions or concerns, please email womenscommittee@cupe3906.org.
